**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic has given me fiber internet at a lower cost than I could have ever imagined!

Some of the larger telecom companies have no interest in helping consumers and America achieve affordable, accessible fiber internet, and we need it!

Americas internet infrastructure needs all the help it can get, and this measure seems entirely against that.

Please stop this! America needs competition, and fiber internet across the country!

Thank you.
